CHANGES

“All flesh is like grass and all its glory like the flower of grass. The grass withers, and the flower falls, but the word of the Lord remains forever.”

1 Peter 1:24

The crisp cool air we had last week was awesome! The leaves are showing hints of changing color. Most of us love this time of the year. Autumn is a beautiful relief from the long and tiring Mobile summer. The change of seasons is nice.

Life is filled with changes of all kinds. Some are expected like the changing of seasons. Some changes catch us by surprise. Some of the surprises are not very nice, at least at the time, and can be a source of insecurity – even depression. Often changes in life are the sources of great joy. Changes can be a challenge and a gift at the same time. Often the gift is only appreciated later in life.

Families are always in a state of change. Children become newly weds. Newly weds become mom and dad. Babies become teens. Teens become newly weds. How can we handle these changes? Know that there is a season for every thing and every purpose. Know that God does not change. Know that Jesus Christ is the same today as He was yesterday, and will be tomorrow. Know that God’s word remains forever. Build your family’s hopes on things eternal. Hold to God’s unchanging hand. He will make all things work together for good.

The greatest change is the change in our lives that occurs when we are converted and allow Jesus to become the Lord of our life.

Enjoy the changes we see and feel as autumn makes itself at home. Remember the things in life that are constant and eternal.
