HOPPY LEAP DAY!

Rather than have a mundane Monday, let's make tomorrow, February 29 – Leap Day, a magnificent Monday. This is the day the Lord has made, so let's do something special with it.

- It could be a day of **worship and praise** to God as we go about our regular schedule.
- This could be a day of intense **thanksgiving** as we offer prayers of thanks for every blessing we recognize as we go through the day.
- We could make this a day of extra **kindness** with acts of kindness to those we know and also to total strangers.
- This could be a day of **prayer**. We could offer a prayer each hour for those on our prayer list.
- February 29th could be a day of **faith**. We could study the Bible every hour to strengthen our faith. We could trust our faith in God to boldly reach out to someone who does not know the Gospel.
- Wouldn't it be great if we spoke only words in the family that **encouraged and built up** others?
- We could send **cards** to everybody who needs our encouragement, our thanks, best wishes, congratulations, appreciation, and just to let them know they are in our thoughts.
- Taking time to **visit** a shut-in or sick person would make a tremendous impact.
- We could tell **Nathan Lunsford Happy Birthday!** Poor guy gets only 1/4 as many birthday parties as the rest of us.

Let's all resolve to use our imagination to use this extra day to the fullest to make a positive difference in the lives of those around us. Leap day comes only once every four years so use your imagination and take a leap of faith to make this a truly memorable day. Let's be sure we use this extra day to make 2016 a little extra special. Let's all rejoice and be glad in leap day!
