## INCREDIBLE

***Thanks be to God for His indescribable gift!***

II Corinthians 9:15

We had an incredible week last week in vacation Bible school! We learned a lot about our incredible Savior. What an indescribable gift God gave us in Jesus Christ. The love God had for us is incomprehensible. The love Jesus had for us is immeasurable. Their love is too amazing to be adequately described by mere words.

We had an incredible week in which many people worked very hard to make vbs a success. Thanks to The Fowlers and the Poes for their incredible organization and hard work. Thanks to the many teachers. Thanks to Holly Hall for her work in preparing meals. Thanks to everyone who decorated the building and transformed it with their creativity and hard work and then restored the building by removing the decorations and getting it ready for worship and Bible class today. It took an incredible amount of work to accomplish all of this.

The service Creekwood members give every week throughout the year is incredible. Many go about their work quietly behind the scenes and are not noticed by many.

- The Meals on Wheels ministry delivers about 120 hot meals per week to needy and shut-in elderly people in our community.
- The work that has been done for many years in the Lads to Leaders and Leaderettes program is incredible. Holly and Glen Hall do an awesome job of organizing all the many facets of work involved in this work. Many, many volunteers – too many to name – work endless hours for months to teach and train our children to speak, lead singing, learn the Bible, and in many other areas of the Lord's work.
- The dedication of those who work in the jail ministry is admirable.
- Many hours are contributed each week by our incredible Bible class teachers.
- The work at Gulf Coast Bible Camp is often taken for granted. Byron and Jessica dedicate themselves to many hours of service throughout the entire year managing and maintaining the camp.
- Many people dedicate their time and talent in conducting the weeks at camp during the summer. Some serve as directors. Some as counselors and cooks. As a result we have many baptisms each year.
- The work Jaya Paul is doing in India is incredible. He dedicates many hours to the Riyali church, the Bud and Joy Orphans' home, the Song of Joy school, and the school for preachers. This work is supported by Creekwood and by many individual members here over and above their weekly contribution.
- We have seen many hours given in service to our teens by our incredible parents. This summer Creekwood parents took time off to volunteer for camp, travel on trips, host devotionals, teach in classes, etc.
- The Panama work Beth Brooks does each year with the Christmas boxes is a great opportunity to serve.
- The work she and others have done in Honduras is incredible. Each Sunday the children bring their offering down front to fund the construction of new houses there.

There many others areas of work done by every age group at Creekwood but space will not allow us to list every one this morning. We have a congregation with an incredible heart for service to the glory of God. There is a place for everybody to serve. Have you found your place?

Thanks be to God for His indescribable gift of Jesus Christ! Thanks be to God for His amazing gift of the church! Thanks be to God for wonderful gift of each member of this congregation of His church!
